

# Planting a Seed: Cut and Order Cards

Wired Me

Name: \_\_\_\_\_

## What is a sequence?

A sequence is a list of steps that happen in a specific order. When you follow steps one at a time, from beginning to end, you are sequencing.

## How to use these cards:

Cut out the cards below. Mix them up. Then try putting them in the correct order to show how to plant a seed.

## Security Tip!

Just like you need the right steps to plant a seed, you also need the right steps to protect your information.

Never share your full name, password, or address online without asking an adult.

**Make a small hole**

**Put the pot in sunlight**

**Cover the seed with soil**

**Water the seed**

**Get a pot with soil**

**Plant the seed**
